

# STUART WURTMAN

[swurtman@csub.edu](mailto:swurtman@csub.edu)

Throughout my education, career, and life, I study the rules that govern computers and society, so that may bend them toward a more just and equitable world. I'm looking for positions where I can make a difference.

## EXPERIENCE

**2016 – 2019**

**IT SPECIALIST**, CLEAR CREEK SYSTEMS

Developed IT business strategies in collaboration with stakeholders, administered multiple Office 365 tenants, provided user support, automated business processes, implemented and maintained SharePoint and Dynamics CRM, maintained networks, designed and maintained websites.

**2015 – 2017**

**ACCOUNTS PAYABLE CLERK**, CLEAR CREEK SYSTEMS

Oversaw the accounts payable department, ensured accurate data collection and entry, timely approval, dispute-handling, and payment of invoices, developed and maintained W-9 records, processed 1099s, supported accounting department research projects. Provided training for new hires.

**2013 – 2014**

**LIFEGUARD**, PARK STOCKDALE COMMUNITY POOL

Developed and taught swim lessons program and served as a lifeguard during the summers.

**2012**

**AQUATIC SPECIALIST**, CITY OF BAKERSFIELD, PARKS AND RECREATION

Taught swim lessons and served as a lifeguard during the summer. Nominated for lifeguard of the month based on performing above and beyond assigned responsibilities.

## EDUCATION

- Experienced in Customer Support
- Experienced in Project Management
- Open-minded problem solver
- Proactive communicator
- Supportive leader and mentor

## ACTIVITIES

I am a passionate outdoorsperson. I spend my spare time swimming, cycling, running, hiking, snowshoeing, skiing, rock climbing, mountaineering, kayaking, free diving, and travelling, and during these activities I pick up any trash I find. I am currently working to increase outdoor access as the president of Bakersfield's mountain biking club, the SSFTA.
